Product Description

Waterproof Fitted Sheet Style Ultrasonic Mattress Topper with Microfiber Fabric

Product Description:

The Mattress Protector/Topper is designed to fit snugly onto your mattress, thanks to its fitted sheet style. This means that it will stay in place all night long, and you won't have to worry about it slipping or sliding around as you sleep. This makes it the perfect choice for those who want to enjoy a comfortable mattress topper without having to worry about it moving around during the night.

The Mattress Protector/Topper is filled with 100-150gsm polyester, which provides a soft and comfortable layer of cushioning for your body. This ensures that you are able to enjoy a more comfortable night's sleep, and wake up feeling refreshed and rejuvenated in the morning.

When it comes to packaging, we offer a variety of options to suit your needs. The Mattress Protector/Topper can be packed in a vacuumed bag, PVC bag, zipper bag, or polybag, depending on your preference. This makes it easy to store and transport, and ensures that it stays clean and hygienic until you are ready to use it.

One of the best things about our Mattress Protector/Topper is that it is machine washable, which makes it easy to keep clean and fresh. Simply pop it into the washing machine and wash it on a gentle cycle with cold water. You can then tumble dry it on a low heat setting, and it will be ready to use again in no time.

Our Mattress Protector/Topper is made from a knitted, comfortable material that is 100% polyester. This means that it is not only soft and comfortable to sleep on, but also durable and long-lasting. You can trust that it will provide you with years of comfortable and restful sleep.

In summary, our Mattress Protector/Topper is the perfect choice for anyone who wants to enhance their sleeping experience. With its comfortable knitted material, fitted sheet style, and machine washable design, it is the perfect combination of comfort and convenience. So why wait? Order your Mattress Protector/Topper today and start enjoying a better night's sleep!
