Product Description

Product Description:

The Microfiber Pillow is covered with a downproof cover that is designed to keep the fill inside the pillow and prevent it from escaping. This cover is also breathable, which means that it will help to regulate your body temperature as you sleep. The cover is easy to remove and can be machine washed for easy care.

This pillow is perfect for anyone who is looking for a medium level of softness. The Microfiber Headrest is designed to offer a supportive sleep surface, while the Microfiber fill is soft and plush. The combination of these two materials creates a pillow that is comfortable and supportive.

The Microfiber Pillow is also easy to store. It comes in a roll package that can be easily stored in a closet or under a bed. This makes it perfect for anyone who is short on storage space.

In conclusion, the Microfiber Pillow is a great addition to any bedding collection. Its fluffy Microfiber Headrest and Microfiber fill make it comfortable and supportive, while its breathable downproof cover helps to regulate your body temperature as you sleep. The rectangular shape and roll package make it easy to store, and the medium level of softness makes it perfect for a wide range of sleepers.
