Product Description

Multilayer Microfiber Pillow with Zipper Washable Design Double Stitching

Product Description:

The Microfiber Stuffed Pillow is filled with the finest quality of microfiber – making it a great alternative to down feathers. The microfiber filling provides a medium level of softness that is perfect for those who prefer a not-too-soft and not-too-firm pillow. It also provides excellent support for your neck and head, ensuring that you wake up feeling refreshed and well-rested.

The Microfiber Pillow is designed with double stitching and piping to ensure its durability. The double stitching provides extra strength and durability, making it last longer than your average pillow. The piping adds a touch of elegance and sophistication to the pillow, making it a great addition to your bedding collection.

The Microfiber Pillow is easy to care for and maintain. It can be machine washed and tumble dried on low heat. It is also hypoallergenic, making it a great choice for those with allergies.

Get your hands on our Microfiber Pillow today and experience the ultimate comfort and relaxation as you sleep.

Features:

Product Name: Microfiber Pillow

Design: Double Stitching, Piping

Machine Washable: Yes

Feature: Washable And Easy Care

Shape: Rectangle

Softness Level: Could be changed

Applications:

This Microfiber Padded Pillow is perfect for various occasions and scenarios. It can be used in households, hotels, resorts, and even hospitals. Its microfiber material makes it hypoallergenic, making it suitable for people with allergies or respiratory problems.

For households, this pillow can be used in the bedroom, living room, or even as a decorative piece. Its white color matches any interior design, and its softness provides comfort and relaxation. It is also easy to clean, making it a practical option for households with kids or pets.

In hotels and resorts, this pillow can be used to provide guests with a comfortable and luxurious experience. Its durability allows for multiple uses, and the double stitching and piping design add an extra touch of elegance. The vacuum or roll package options make it easy to store and transport, making it a convenient choice for hospitality businesses.

For hospitals, this pillow can be used to provide patients with a comfortable and hygienic sleeping experience. Its microfiber material makes it easy to clean and sanitize, reducing the risk of infections. Its hypoallergenic properties also make it suitable for patients with allergies or respiratory problems.

Overall, the Microfiber Padded Pillow is a versatile and practical product suitable for various occasions and scenarios. Its durability, comfort, and hygiene properties make it a popular choice for households, hotels, resorts, and hospitals. Order now and experience the comfort and elegance of our Microfiber Padded Pillow.
