Product Description

Double Stitching Piping Medium Firmness Microfiber Pillow for Restful Sleep

Product Description:

The Microfiber Stuffed Pillow comes in a vacuum-sealed package that ensures its cleanliness and hygiene. It is also rolled tightly for easy storage and transport, making it ideal for travel. You can easily fit it in your backpack or luggage without taking too much space.

This pillow offers three levels of support: low, medium, and high. You can choose the level that best suits your sleeping preferences. Whether you are a back, stomach, or side sleeper, this pillow can provide you with the support you need to sleep soundly through the night.

The Microfiber Stuffed Pillow has a medium softness level, making it comfortable for your head and neck. It is not too firm nor too soft, striking a perfect balance between support and comfort. You can rest your head on this fluffy microfiber headrest and wake up feeling refreshed and energized.

One of the best things about this pillow is that it is machine washable. You can easily clean it when it gets dirty or stained, ensuring that it stays fresh and clean for longer. You do not have to worry about replacing your pillow every few months due to wear and tear. Simply toss it in the washing machine, and it will be as good as new.

The Microfiber Stuffed Pillow is also breathable, allowing air to circulate through it. This feature ensures that you do not get too hot or sweaty while you sleep. You can enjoy a cool and comfortable night's sleep with this pillow.

In conclusion, if you are looking for a comfortable and supportive pillow that is easy to clean and transport, then the Microfiber Stuffed Pillow is the perfect choice for you. It is designed to provide you with a restful sleep, and its high-quality microfiber material ensures that it will last for a long time. Whether you are at home or on the go, this pillow is a must-have for anyone who values a good night's sleep.

Applications:

One of the most common applications of the Soft Microfiber Cushion is for use in the bedroom. As a pillow, it provides the perfect support for your head and neck, ensuring a restful and comfortable sleep. With its low/medium/high support level, it is suitable for different sleeping preferences. The Soft Microfiber Cushion can also be used as a bolster, providing additional support and comfort for your back and legs.

In addition to the bedroom, the Soft Microfiber Cushion is also ideal for use in the living room. As an accent pillow, it can add a touch of style and comfort to your sofa or armchair. Its white color gives it a clean and fresh look that blends well with any decor.

The Soft Microfiber Cushion is also perfect for use in the office. If you spend long hours sitting at a desk, you know how important it is to have good support for your back. The Soft Microfiber Cushion can be used as a lumbar support cushion, providing extra padding and comfort for your lower back. It can also be used as a seat cushion, reducing pressure on your tailbone and improving your posture.

Whether you are travelling on a long flight or sitting in a car for hours, the Soft Microfiber Cushion can provide much-needed comfort and support. Its compact size makes it easy to carry and store, and its vacuum and roll package ensures that it takes up minimal space.

The Soft Microfiber Cushion is made in China and has a minimum order quantity of 500. Delivery time is approximately 30-40 days, depending on the destination. Its filling is made of microfiber, which is hypoallergenic and resistant to dust mites and other allergens.

In summary, the Soft Microfiber Cushion is a comfortable and versatile product that can be used in a variety of occasions and scenarios. Whether you need a pillow for sleeping, a bolster for support, or a cushion for travelling, this product is perfect for you. Order now and experience the comfort and convenience of the Soft Microfiber Cushion!
