Applications:

The 100% cotton pillow is a high-quality pillow made from pure cotton material. It is manufactured in China and has a minimum order quantity of 500. The packaging details are based on customer requirements, which can be vacuumed, PVC bag, zipper bag, or polybag. The delivery time for this pillow is 30-40 days.

The pillow is available in two shapes, rectangle, and square. It has a thread count of 200/233/300, which ensures that the pillow is solid, anti-static, and durable. The durability of the pillow can be low, medium, or high, depending on the thread count selected by the customer. The closure type of the pillow can be zipper, open, or button, which provides the customer with different options to choose from. The pillow is available in the size of 45x70, which is a standard size for most pillows.

The 100% cotton pillow is suitable for a wide range of occasions and scenarios. It can be used in bedrooms, guest rooms, hotels, spas, and resorts. The pillow provides excellent comfort and support to the neck and head. It is perfect for people who suffer from allergies as it is hypoallergenic and does not contain any harmful chemicals.

The pillow is easy to maintain and can be washed in a washing machine. It is recommended to wash it in cold water and tumble dry on low heat. The pillow can be fluffed to restore its original shape and volume.

In conclusion, the 100% cotton pillow is a high-quality product that provides excellent comfort and support. It is available in different thread counts, shapes, and closure types, which makes it suitable for different customer requirements. The pillow is durable, solid, anti-static, and hypoallergenic. It is a perfect choice for people who value comfort and quality.
