Product Description

Solid Pattern Ultrasonic Cationic Polyester Fiber in White/Gray/Beige/Blue

Product Description:

The Ultrasonic Bed Spread is available in a variety of colors, including white, gray, beige, blue, and even customizable colors to match any bedroom decor. The beige color option is perfect for those who love the natural look and feel of earthy tones.

Not only is the Ultrasonic Bed Spread stylish, but it is also functional. The reversible polyester bed spread is designed to provide maximum comfort and warmth during the colder months. The polyester filling is lightweight yet provides enough insulation to keep you warm and cozy during chilly nights.

The package includes one bed spread, making it easy to add to your bedding collection. Simply place the bed spread over your bed for an instant upgrade to your bedroom decor.

When it comes to care instructions, the Ultrasonic Bed Spread is machine washable, making it easy to keep clean and fresh. Simply toss it in the washing machine with your other bedding items, and it will come out looking as good as new.

If you're looking for a stylish and functional bed spread, the Ultrasonic Bed Spread is the perfect choice. With its polyester filling, reversible design, and beige color option, it's a must-have for any bedroom.
