Product Description

Mircofiber Ultrasonic Bed Spread in White Luxurious Hypoallergenic Geometry Design

Product Description:

The Ultrasonic design of this bed spread is what sets it apart from other bedding accessories. The ultrasonic quilting technology used in the production of this bed spread ensures that the fill stays in place, preventing it from shifting or clumping. This creates a consistently even and comfortable sleeping surface that is sure to provide a good night's sleep.

The Ultrasonic Bed Spread comes in a solid color quilt style that is perfect for any bedroom decor. The solid color design allows it to easily blend in with your existing decor or provide a pop of color to your bedroom. The microfiber bed cover is hypoallergenic, making it perfect for individuals with allergies or sensitive skin.

The Ultrasonic Bed Spread comes in three different sizes - Full, Queen, and King - making it easy to find the perfect fit for your bed. The full-size bed spread measures 82" x 86", the queen-size bed spread measures 90" x 94", and the king-size bed spread measures 108" x 94".

Overall, the Ultrasonic Bed Spread is an excellent bedding accessory that is perfect for anyone who wants a comfortable and stylish bed spread. The ultrasonic design ensures that the fill stays in place, creating a consistently even and comfortable sleeping surface, while the microfiber material is soft, durable, and hypoallergenic. The solid color quilt style is perfect for any bedroom decor, and the three different sizes make it easy to find the perfect fit for your bed.
