## Product Description

### Product Description:

The pattern of this comforter is solid, making it easy to match with any bedding style or decor. The super soft, soft, and medium softness options allow you to choose the perfect level of comfort for your personal preferences.

The Fleece Comforter is available in four different sizes: Twin, Full, Queen, and King. Whether you're looking to snuggle up on your own or share with a loved one, there is a size to suit your needs.

The material of this comforter is a combination of fleece and sherpa, creating a soft and warm texture that will keep you cozy all night long. The fleece is soft to the touch, while the sherpa adds additional warmth and texture.

The warmth level of this comforter is perfect for the winter season. The combination of fleece and sherpa materials create a warm and cozy environment for you to sleep in.

This flannel bed comfort blanket is perfect for those who are looking for a soft and warm bedding option. The sherpa comforter is quilted to ensure that the filling stays in place and provides a consistent level of warmth throughout.

In summary, the Fleece Comforter is a soft sherpa quilted comforter that is perfect for those cold winter nights. Made from a combination of fleece and sherpa materials, this comforter is available in four different sizes and three levels of softness. Its solid pattern makes it easy to match with any bedding style or decor, making it a must-have for any bedroom.

### Applications:

This Sherpa Comforter is manufactured in China, ensuring that you get the best possible quality at an affordable price point. With a minimum order quantity of 500 units, this product is perfect for retailers and wholesalers who want to stock up on high-quality bedding products for their customers.

The Fleece Comforter is packaged based on the customer's request, which can include vacuum-sealed packaging, PVC bags, zipper bags, polybags, and more. This ensures that the product is protected during shipping and arrives at its destination in perfect condition. With a delivery time of 30-40 days, the Fleece Comforter is a product that you can rely on to arrive when you need it.

The warmth level of this Soft Sherpa Quilted Comforter is perfect for the winter season, ensuring that you stay warm and comfortable no matter how cold it gets outside.

One of the best things about this Flannel Bed Comfort Blanket is that it is machine washable, making it easy to clean and maintain. This means that you can enjoy a fresh and clean comforter every night, without having to worry about the hassle of washing it by hand.

The Fleece Comforter comes in a solid pattern and is filled with 150-400gsm of 100% polyester filling. This ensures that the comforter is both lightweight and warm, providing you with the perfect balance of comfort and insulation.

In conclusion, if you are looking for a high-quality bedding product that is perfect for the winter season, the Fleece Comforter is definitely worth considering. With its combination of fleece and sherpa materials, solid pattern, and machine-washable design, this product is both stylish and practical. So why wait? Place your order today and experience the ultimate in comfort and warmth with the Fleece Comforter!
