Product Description:

Breathable and Cooling Comfort:

Crafted from a premium blend of 40% rayon derived from bamboo and 60% polyester, our queen size mattress protector offers a naturally soft, breathable surface that helps regulate temperature for a cool and comfortable night's sleep.

Reliable Waterproof Protection:

Designed with an advanced TPU waterproof layer, this protector effectively guards your mattress against sweat, spills, and everyday accidents. It keeps your bed dry and clean—but please avoid letting liquids pool on the surface for extended periods.

Silent and Smooth Sleep Surface:

Unlike plastic protectors that crinkle, our bamboo-blend fabric is whisper-quiet and silky-smooth. Enjoy uninterrupted rest without noise or discomfort, thanks to its soft viscose texture from bamboo.

Deep Pocket Fit:

With a deep pocket design that fits mattresses from 8" to 21" in depth, this cover easily accommodates all types—including memory foam, latex, and spring mattresses. Its stretchable sides ensure a snug, secure fit without shifting.

Easy to Clean and Maintain:

Machine washable and dryer-safe on low heat, this mattress protector is built for convenience. Use a mild detergent and avoid bleach to preserve its waterproof performance and extend its lifespan.
