Product Description:

Experience unparalleled comfort and warmth during the coldest months with our Luxurious Fleece Comforter Set, designed to provide exceptional coziness for winter. Crafted with meticulous attention to detail, this comforter set is perfect for those who want to enhance their bedroom with both style and functionality. Whether you are looking to upgrade your bedding for the chilly season or simply want a soft, inviting layer to snuggle into, this fleece comforter is the ideal choice.

One of the standout features of this Luxurious Fleece Comforter Set is its outstanding warmth level, specially designed for winter use. The comforter's filling ranges from 150gsm to 400gsm of 100% polyester, allowing you to select the perfect weight that suits your personal preference and climate needs. The higher the gsm, the warmer the comforter, ensuring you stay cozy and comfortable even on the coldest nights. This versatility makes it an excellent option for a wide range of environments and sleepers who prioritize warmth without compromising on breathability.

Customization is key when it comes to creating the perfect bedding ensemble, and our fleece comforter offers just that. Available in a variety of colors, the comforter can be customized to match your bedroom décor or personal style. Whether you prefer calming neutrals, vibrant hues, or anything in between, this customized color option allows you to design a bedding set that complements your unique taste and aesthetic.

Size options are thoughtfully provided to ensure the perfect fit for your bed. The comforter comes in Twin, Full, Queen, and King sizes, making it suitable for all standard bed dimensions. Whether you need a cozy twin for a child's room, a full or queen for a guest or master bedroom, or a king size for maximum coverage, this comforter set accommodates your needs with ease.

Softness is a vital aspect of any bedding, and our Soft microfiber Quilted Comforter excels in this area. The outer layer is made from ultra-soft microfiber fleece that feels gentle against the skin, offering a luxurious tactile experience. You can choose from three levels of softness – Super Soft, Soft, or Medium – to tailor the comforter to your preference. The quilted design not only adds a sophisticated look but also helps keep the filling evenly distributed, preventing any cold spots and maintaining consistent warmth throughout the night.

Beyond its practical benefits, the Luxurious Fleece Comforter Set is a stylish addition to any bedroom. Its plush texture and elegant appearance create a welcoming ambiance, transforming your sleeping space into a cozy retreat. The easy-care polyester filling ensures durability and resistance to wear, making this comforter a long-lasting investment in your home comfort. Additionally, the microfiber material is easy to clean and maintain, saving you time and effort while keeping your bedding fresh and inviting.

Whether you are outfitting a guest room, upgrading your own bedding, or searching for the perfect gift, the Luxurious Fleece Comforter Set meets all expectations for quality, warmth, and style. Its customizable color options, multiple size choices, and varied softness levels provide a personalized bedding experience tailored specifically to your needs. The combination of super soft microfiber fleece and a substantial polyester fill ensures you stay warm without feeling weighed down, making this comforter a perfect winter companion.

In summary, this Luxurious Fleece Comforter Set offers exceptional warmth, customizable aesthetics, and ultimate softness, making it a must-have for anyone seeking a premium winter bedding solution. With its durable construction, elegant design, and superior comfort, this Soft microfiber Quilted Comforter is designed to elevate your sleep experience and keep you cozy all winter long.

Technical Parameters:

Size	Twin / Full / Queen / King
Pattern	Solid
Material	Flannel Combined Microfiber
Machine Washable	Yes
Color	Customized Color
Filling	150-400gsm, 100% Polyester
Softness	Super Soft / Soft / Medium
Warmth Level	Winter

Applications:

The Soft microfiber Quilted Comforter is an ideal choice for various application occasions and scenarios, especially during the colder winter months. Originating from China, this high-quality comforter combines flannel and microfiber materials to provide exceptional warmth and softness, making it perfect for use in homes, hotels, guesthouses, and holiday resorts. Its super soft, plush texture ensures a cozy and inviting sleeping environment, while the availability in multiple sizes—Twin, Full, Queen, and King—caters to different bed dimensions and customer preferences.

This Flannel Bed Comfort Blanket is particularly suited for winter use due to its excellent warmth level and fleece plush bedspread design. Whether you are looking to upgrade your bedroom for personal comfort or furnish a hospitality space, this comforter provides a luxurious feel and reliable insulation against the cold. Its medium to super soft softness range makes it adaptable to various comfort needs, from those who prefer a gentle touch to those who desire a more plush experience.

In addition to home bedrooms, this fleece comforter is perfect for seasonal use in cabins, mountain lodges, or any environment where warmth and comfort are a priority. It is also well-suited for use in dormitories and shared living spaces, where a machine washable and durable bedding option is essential. The product's machine washable feature adds convenience, allowing for easy maintenance and prolonged use without compromising softness or quality.

The product is available with customizable packaging options including vacuumed packing, PVC bags, zipper bags, or polybags based on customer requests, ensuring safe and efficient delivery. With a minimum order quantity of 500 units and a delivery time of 30-40 days, it is an excellent choice for businesses looking to stock premium winter bedding products or for bulk purchases for seasonal promotions.

Overall, the Soft microfiber Quilted Comforter, Flannel Bed Comfort Blanket, and Fleece Plush Bedspread provide versatile, warm, and comfortable bedding solutions perfect for any winter setting, combining practicality with luxury and softness to enhance restful sleep experiences.

Customization:

Our Fleece Plush Bedspread offers extensive product customization services to meet your specific needs. Originating from China, we require a minimum order quantity of 500 pieces to ensure quality and efficiency. The filling of the Cozy Fluffy Coverlet ranges from 150 to 400gsm, made of 100% polyester, providing varying levels of softness including Super Soft, Soft, and Medium to suit your preferences. We offer a variety of sizes for the Soft microfiber Quilted Comforter, including Twin, Full, Queen, and King. The pattern is solid, allowing for versatile use in any bedroom setting. Additionally, the comforters are machine washable for easy care and maintenance. Packaging can be customized based on customer requests, with options such as vacuum packaging, PVC bags, zipper bags, or polybags. Delivery time for customized orders is typically between 30 to 40 days, ensuring timely receipt of your tailored fleece comforters.

Packing and Shipping:

Each Fleece Comforter is carefully folded and placed inside a protective, resealable plastic bag to ensure cleanliness and prevent damage during handling. The packaged comforter is then securely boxed in a durable, eco-friendly cardboard box designed to protect the product from moisture and impact during transit. Boxes are labeled with product details and handling instructions to facilitate smooth shipping and delivery. We use reliable shipping carriers and provide tracking information to keep customers informed about their order status. Our packaging and shipping process prioritizes product safety and customer satisfaction, ensuring your Fleece Comforter arrives fresh, clean, and ready to use.
